Management's Discussion and Analysis for the six months ended April 30, 2016

The information contained in this Management's Discussion and Analysis ("MD&A") of BRS Ventures Ltd. for the six months ended April 30, 2016 has been prepared as of June 27, 2016. It should be read in conjunction with the audited annual financial statements of BRS Ventures Ltd. for the year ended October 31, 2015. All amounts are expressed in Canadian dollars unless otherwise indicated.

Company description

BRS Ventures Ltd. (the "Company" or "BRS") was incorporated pursuant to the provisions of the Business Corporations Act (British Columbia) on June 8, 2007. Following its initial public offering on February 29, 2008, the Company qualified as a capital pool company ("CPC") as defined by TSX V Policy 2.4 ("Policy 2.4") of the TSX Venture Exchange ("TSX V" or the "Exchange") and the shares were listed for trading under the trading symbol "BRV-P.V". The Company currently trades on the NEX board of the TSX V under the trading symbol "BRV.H".

Qualifying Transaction

On May 20, 2016, the Company entered into an Option agreement with Anstag Mining Ltd., a private British Columbia company (the "Optionor") whereby the Optionor has granted an option to the Company to acquire 100% interest in the Margurete Gold Property located in the Phillips Arm area, approximately 210 kilometres northwest of Vancouver in southwest British Columbia.

Under terms of the Option Agreement, the Company is required to make the following payments and incur the following exploration expenditures to earn a 100% interest in the Margurete Gold Property:

- Pay \$10,000 and issue 200,000 shares within 5 days of Exchange approval o the Option Agreement
- Incur \$1,000,000 exploration expenditures on the Margurete Gold Property within 5 years of signing the Option Agreement

During the term of the Option Agreement, the Company is responsible for the annual claim maintenance fees. The Optionor will retain a 1% Gross Overriding Royalty which may be purchased by the Company for \$1,000,000.

In conjunction with closing the transaction, the Company will be completing a proposed non-brokered private placement financing of up to 8,000,000 common shares at a price of \$0.05 per share for gross proceeds of \$400,000.

The Company intends the above transaction to constitute a Qualifying Transaction under the TSX-V Policy 2.4 – Capital Pool Companies. Upon approval of the Transaction by the TSX-V, the Company will be a Tier 2 mining issuer.

Accounting standards

The following revised standard and amendment is not yet effective. The following is a brief summary of the principal new standards:

IFRS 9

In July 2014, the IASB issued the final version of IFRS 9 Financial Instruments bringing together the classification and measurement, impairment and hedge accounting phases of the IASB's project to replace IAS 39 Financial Instruments: Recognition and Measurement. IFRS 9 retains but simplifies the mixed measurement model and establishes two primary measurement categories for financial assets: amortized cost and fair value. IFRS 9 also amends some of the requirements of IFRS 7 Financial Instruments: Disclosures, including added disclosures about investments in equity instruments measured at fair value in OCI, and guidance on financial liabilities and derecognition of financial instruments. The mandatory effective date of IFRS 9 will be annual periods beginning on or after January 1, 2018, with early adoption permitted. The Company is in the process of determining the impact of IFRS 9 on its financial statements.

Off-balance sheet

There are no off-balance sheet items as at April 30, 2016 and October 31, 2015.

Risks and uncertainties

The Company has incurred significant losses since inception. The continued operations of the Company are dependent on its ability to generate future cash flow and obtain additional financing. The Company has traditionally financed its cash requirements through the issuance of common shares. If the Company is unable to generate cash from operations or obtain additional financing its ability to continue as a going concern could be impeded.

Shares outstanding

As of June 27, 2016, the Company's authorized, issued, fully paid and voting shares were 12,941,659 with 724,997 held in escrow.

Disclosure controls and procedures

In connection with National Instrument 52-109 (Certificate of Disclosure in Issuer's Annual Filings) ("NI 52-109"), the Chief Executive Officer and Chief Financial Officer of the Company have filed a Venture Issuer Basic Certificate with respect to the financial information contained in the financial statements for the six months ended April 30, 2016 and this accompanying MD&A (together, the "Interim Filings").

In contrast to the full certificate under NI 52-109 the Venture Issuer Basic Certificate does not include representations relating to the establishment and maintenance of disclosure controls and procedures and internal control over financial reporting, as defined in NI 52-109. For further information the reader should refer to the Venture Issuer Basic Certificates filed by the Company with its filings on SEDAR at www.sedar.com.

Forward-looking information

The Company's condensed interim financial statements for the six months ended April 30, 2016, and this accompanying MD&A contain statements that constitute "forward-looking statements" within the meaning of National Instrument 51-102, Continuous Disclosure Obligations of the Canadian Securities Administrators. It is important to note that, unless otherwise indicated, forward-looking statements in this MD&A describe the Company's expectations up to the date of the MD&A.

Forward-looking statements often, but not always, are identified by the use of words such as "seek", "anticipate", "believe", "plan", "estimate", "expect", "targeting" and "intend" and statements that an event or result "may", "will", "should", "could", or "might" occur or be achieved and other similar expressions. Forward-looking statements in this MD&A include statements regarding the Company's future plans and expenditures, the satisfaction of rights and performance of obligations under agreements to which the Company is a part, the ability of the Company to hire and retain employees and consultants and estimated administrative assessment and other expenses. Forward-looking statements involve known and unknown risks, uncertainties, assumptions and other factors that may cause the actual results, performance or achievements of the Company to be materially different from any future results, performance or achievements expressed or implied by the forward-looking statements. Factors that could cause the actual results to differ include market prices, continued availability of capital and financing, inability to obtain required regulatory approvals and general market conditions. These statements are based on a number of assumptions, including assumptions regarding general market conditions, the timing and receipt of regulatory approvals, the ability of the Company and other relevant parties to satisfy regulatory requirements, the availability of financing for proposed transactions and programs on reasonable terms acceptable to the Company and the ability of third-party service providers to deliver services in a timely manner. Some of these risks and uncertainties are identified under the heading "**RISKS AND UNCERTAINTIES**" as disclosed elsewhere in this MD&A. Additional information regarding these factors and other important factors that could cause results to differ materially may be referred to as part of particular forward-looking statements.

BRS Ventures Ltd.

Management's Discussion and Analysis for the six months ended April 30, 2016

Forward-looking statements contained herein are made as of the date of this MD&A and the Company disclaims any obligation to update any forward-looking statements, whether as a result of new information, future events or results or otherwise except as required by securities law. There can be no assurance that forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements.
