INTRODUCTION

This Information Circular accompanies the Notice of Annual General Meeting (the "Notice") and is furnished to shareholders holding common shares in the capital of Silver One Resources Inc. (the "Company") in connection with the solicitation by the management of the Company of proxies to be voted at the annual general meeting (the "Meeting") of the shareholders to be held at Suite 704, 595 Howe Street, Vancouver, BC, V6C 2T5 on Thursday, November 26, 2020 at 10:00 a.m. (Vancouver Time) or at any adjournment or postponement thereof.

Attending the Meeting via Telephone Conference

Attendance of the meeting will also be available to shareholders via tele-conference. In response to the outbreak of COVID-19, the provincial government of British Columbia declared a state of emergency which is currently ongoing. We would therefore encourage all shareholders to avail of the tele-conference option in their attendance of the meeting. To attend the meeting via tele-conference we would ask that shareholders complete the form attached hereto as Schedule "B", completing all requested information and e-mail a copy to reception@stockslaw.com or submit by Facsimile: (604) 687 6650 Attn: Thomas Moggan

Once received, you will receive a telephone and conference room number with which to attend the meeting.

Date and Currency

The date of this Information Circular is October 28, 2020. Unless otherwise stated, all amounts herein are in Canadian dollars.

APPOINTMENT OF PROXYHOLDER

The purpose of a proxy is to designate persons who will vote the proxy on a shareholder's behalf in accordance with the instructions given by the shareholder in the proxy. The persons whose names are printed in the enclosed form of proxy are officers or directors of the Company (the "Management Proxyholders").

A shareholder has the right to appoint a person other than a Management Proxyholder, to represent the shareholder at the Meeting by striking out the names of the Management Proxyholders and by inserting the desired person's name in the blank space provided or by executing a proxy in a form similar to the enclosed form. A proxyholder need not be a shareholder.

VOTING BY PROXY

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Shares represented by a properly executed proxy will be voted or be withheld from voting on each matter referred to in the Notice of Meeting in accordance with the instructions of the shareholder on any ballot that may be called for and if the shareholder specifies a choice with respect to any matter to be acted upon, the shares will be voted accordingly.

If a shareholder does not specify a choice and the shareholder has appointed one of the Management Proxyholders as proxyholder, the Management Proxyholder will vote in favour of the matters specified in the Notice of Meeting and in favour of all other matters proposed by management at the Meeting.

The enclosed form of proxy also gives discretionary authority to the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of the Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Information

Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

COMPLETION AND RETURN OF PROXY

Completed forms of proxy must be deposited at the office of the Company's registrar and transfer agent, Computershare Investor Services Inc., Proxy Dept., 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1, no later than 10:00 a.m. on November 24, 2020, unless the chairman of the Meeting elects to exercise his discretion to accept proxies received subsequently.

NON-REGISTERED HOLDERS

Only shareholders whose names appear on the records of the Company as the registered holders of shares or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are "non-registered" shareholders because the shares they own are not registered in their names but instead registered in the name of a nominee such as a brokerage firm through which they purchased the shares; bank, trust company, trustee or administrator of self-administered RRSP's, RRIF's, RESP's and similar plans; or clearing agency such as The Canadian Depository for Securities Limited (a "Nominee") and in the United States, under the name Cede & Co., as nominee for the Depository Trust Company (which acts as a brokerage depository for many U.S. firms and custodial banks). If you purchased your shares through a broker, you are likely a non-registered holder.

In accordance with securities regulatory policy, the Company has distributed copies of the Meeting materials, being the Notice of Meeting, this Information Circular and the Proxy, to the Nominees for distribution to non-registered holders.

Nominees are required to forward the Meeting materials to non-registered holders to seek their voting instructions in advance of the Meeting. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered holder. The Nominees often have their own form of proxy, mailing procedures and provide their own return instructions. If you wish to vote by proxy, you should carefully follow the instructions from the Nominee in order that your shares are voted at the Meeting.

If you, as a non-registered holder, wish to vote at the Meeting in person, you should appoint yourself as proxyholder by writing your name in the space provided on the request for voting instructions or proxy provided by the Nominee and return the form to the Nominee in the envelope provided. Do not complete the voting section of the form as your vote will be taken at the Meeting.

Non-registered holders who have not objected to their Nominee disclosing certain ownership information about themselves to the Company are referred to as "non-objecting beneficial owners" ("NOBOs"). Those non-registered holders who have objected to their Nominee disclosing ownership information about themselves to the Company are referred to as "objecting beneficial owners" ("OBOs").

In accordance with the requirements of National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("NI 54-101") of the Canadian Securities Administrators, the Company has elected to send the Meeting materials indirectly to NOBOs.

If the Company or its agent has sent these materials directly to you (instead of through a Nominee), your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Nominee holding on your behalf. By choosing to send these materials to you directly, the Company (and not the Nominee holding on your behalf) has assumed responsibility for (i) delivering these materials to you and (ii) executing your proper voting instructions.

The Company does not intend to pay for Nominees to deliver the Meeting materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary* to OBOs. As a result, OBOs will not receive the Meeting materials unless their Nominee assumes the costs of delivery.

The Company is not sending the Meeting materials to shareholders using "notice-and-access", as defined under NI 54-101.

REVOCABILITY OF PROXY

In addition to revocation in any other manner permitted by law, a shareholder, his attorney authorized in writing or, if the shareholder is a corporation, a corporation under its corporate seal or by an officer or attorney thereof duly authorized, may revoke a proxy by instrument in writing, including a proxy bearing a later date. The instrument revoking the proxy must be deposited at the registered office of the Company, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof, or with the chairman of the Meeting on the day of the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue an unlimited number of common shares without par value, of which 200,222,442 common shares are issued and outstanding. Persons who are registered shareholders at the close of business on October 20, 2020 will be entitled to receive notice of and vote at the Meeting and will be entitled to one vote for each share held. The Company has only one class of shares.

To the knowledge of the directors and executive officers of the Company, except as disclosed below, as of the Record Date, no person beneficially owns, controls or directs, directly or indirectly, shares carrying 10% or more of the voting rights attached to all shares of the Company.

Name	Number of Common Shares Owned or Controlled at the Record Date	Percentage of Outstanding Common Shares at the Record Date
Eric Sprott ⁽¹⁾	33,111,111 (Indirect)	16.53%

Note:

- (1) Eric Sprott indirectly holds the securities of the Company through 2176423 Ontario Ltd.

NUMBER OF DIRECTORS

At the Meeting, shareholders will be asked to pass an ordinary resolution to set the number of directors of the Company for the ensuing year at five (5). The number of directors will be approved if the affirmative vote of the majority of common shares present or represented by proxy at the Meeting and entitled to vote are voted in favour to set the number of directors at five (5).

Management recommends the approval of the resolution to set the number of directors of the Company at five (5).

ELECTION OF DIRECTORS

The directors of the Company are elected annually and hold office until the next annual general meeting of the shareholders or until their successors are elected or appointed. Management proposes to nominate the persons listed below for election as directors of the Company to serve until their successors are elected or appointed. In the absence of instructions to the contrary, proxies given pursuant to the solicitation by management will be voted for the nominees listed in this Information Circular. Management does not contemplate that any of the nominees will be unable to serve as a director.

The following table sets out the names of the nominees for election as directors, the offices they hold within the Company, their occupations, the length of time they have served as directors of the Company, and the number of shares of the Company which each beneficially owns, directly or indirectly, or over which control or direction is exercised, as of the date of this Information Circular.

Corporate Cease Trade Orders or Bankruptcies

Except as set forth below, no director or proposed director of the Company is, or within the ten years prior to the date of this Information Circular has been, a director or executive officer of any company, including the Company, that while that person was acting in that capacity:

- (a) was the subject of a cease trade order or similar order or an order that denied the company access to any exemption under securities legislation for a period of more than 30 consecutive days; or
- (b) was subject to an event that resulted, after the director ceased to be a director or executive officer of the company being the subject of a cease trade order or similar order or an order that denied the relevant company access to any exemption under securities legislation, for a period of more than 30 consecutive days; or
- (c) within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

Mr. Girling is a director of Zinc One Resources Inc. (“Zinc One”), a company listed on the TSX Venture Exchange. The British Columbia Securities Commission issued a cease trade order against Zinc One for failure to file its annual audited financial statements and related management discussion and analysis for the year ended February 29, 2020.

Individual Bankruptcies

No director or proposed director of the Company has, within the ten years prior to the date of this Information Circular, become bankrupt or made a proposal under any legislation relating to bankruptcy or insolvency, or been subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of that individual.

Penalties or Sanctions

None of the proposed directors have been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority, has entered into a settlement agreement with a securities regulatory authority or has been subject to any other penalties or sanctions imposed by a court or regulatory body that would be likely to be considered important to a reasonable security holder making a decision about whether to vote for the proposed director.

EXECUTIVE COMPENSATION

Named Executive Officers

During the financial year ended December 31, 2019, the Company had three Named Executive Officers (“NEO”) being, Greg Crowe, the President and Chief Executive Officer and Carmen Amezcua Hernandez, the Secretary and Chief Financial Officer of the Company. Raul Diaz-Unzueta acted as the Vice President Exploration of the Company.

“Named Executive Officer” means: (a) each CEO, (b) each CFO, (c) each of the three most highly compensated executive officers of the company, including any of its subsidiaries, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000; and (d) each individual who would be a NEO under (c) above but for the fact that the individual was neither an executive officer of the Company, nor acting in a similar capacity, at the end of that financial year.

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Discussion and Analysis

In the last financial year of the Company, Greg Crowe, the President and CEO of the Company was the only NEO who received a salary from the Company. Certain executive officers received compensation for providing specific services to the Company as consultants.

In addition, NEO's are eligible under the Company's Stock Option Plan (the "**Plan**") to receive grants of stock options. The Plan is an important part of the Company's long-term incentive strategy for its officers, permitting them to participate in any appreciation of the market value of its shares over a stated period of time. The Plan is intended to reinforce commitment to long-term growth in profitability and shareholder value. The size of stock option grants to NEO's is dependent on each officer's level of responsibility, authority and importance to the Company and the degree to which such officer's long-term contribution to the Company will be key to its long-term success.

The Board has not proceeded to a formal evaluation of the implications of the risks associated with the Company's compensation policies and practices. Risk management is a consideration of the Board when implementing its compensation program, and the Board does not believe that the Company's compensation program results in unnecessary or inappropriate risk taking including risks that are likely to have a material adverse effect on the Company.

The Company's NEOs and directors are not permitted to purchase financial instruments, including for greater certainty, prepaid variable forward contracts, equity swaps, collars or units of exchange funds that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director.

Share-Based and Option-Based Awards

The Company does not grant share-based awards. The Board is responsible for granting options to the NEOs. Stock option grants are designed to reward the NEOs for success on a similar basis as the shareholders of the Company, but these rewards are highly dependent upon the volatile stock market, much of which is beyond the control of the NEOs. When new options are granted, the Board takes into account the previous grants of options, the number of stock options currently held, position, overall individual performance, anticipated contribution to the Company's future success and the individual's ability to influence corporate and business performance. The purpose of granting such stock options is to assist the Company in compensating, attracting, retaining and motivating the officers, directors and employees of the Company and to closely align the personal interest of such persons to the interest of the shareholders.

The exercise price of the stock options granted is generally determined by the market price at the time of grant, less any allowable discount.

On October 28, 2020, the Company amended its stock option plan from a 10% rolling stock option plan to a fixed option plan serving a maximum of 19,800,000 stock options ("Options") for granting (the "Stock Option Plan").

Summary of the Plan

The following information is intended as a brief description of the Company's Stock Option Plan.

1. The aggregate number of common shares that may be reserved for issuance pursuant to Options shall 19,800,000 common shares at the time of the granting of an Option, less the aggregate number of common shares then reserved for issuance pursuant to any other share compensation arrangement. For greater certainty, if an Option is surrendered, terminated or expires without being exercised, the common shares reserved for issuance pursuant to such Option shall be available for new Options granted under this Plan.
2. The exercise price per common share for an Option shall be determined by the Directors or their delegates if any, but will in no event be less than the permitted discount to the Market Price for the common shares (as defined by the policies of the TSX-V) at the date of grant.
4. The number of common shares reserved for issuance in any 12 month period under the Stock Option Plan and any other share compensation arrangement to (a) any one Person, shall not exceed 5% of the outstanding common shares at the time of the grant (unless the Company has obtained disinterested shareholder approval to exceed such limit); and (b) any one Consultant or Person employed to provide Investor Relations Activities, shall not exceed 2% of the outstanding common shares at the time of the grant.
5. Unless the Company has received disinterested shareholder approval to do so, the number of common shares issued to any Person within a 12 month period pursuant to the exercise of Options granted under the Stock Option Plan and any other share compensation arrangement shall not exceed 5% of the outstanding common shares at the time of the grant.
6. Upon expiry of an option, or in the event an option is otherwise terminated for any reason, the number of shares in respect of the expired or terminated option shall again be available for the purposes of the Stock Option Plan. All options granted under the Stock Option Plan, unless sooner terminated, have a term not exceeding and shall therefore expire no later than 10 years after the date of the grant.
7. If a participant who is an Officer, Employee or Consultant is terminated for cause, each Option held by such participant shall terminate and shall therefore cease to be exercisable upon such termination for cause.

If a participant dies prior to otherwise ceasing to be an eligible person, each Option held by such participant shall terminate and shall therefore cease to be exercisable no later than the earlier of the expiry date and the date which is twelve months after the date of the participant's death.

Unless an option agreement specifies otherwise, if a participant ceases to be an eligible person for any reason other than death, each Option held by the participant other than a participant who is involved in investor relations activities will cease to be exercisable 90 days after the termination date or for a "reasonable period" after the participant ceases to serve in such capacity, as determined by the Board. For participants involved in investor relations activities, Options shall cease to be exercisable 30 days after the termination date or for a "reasonable period" after the participant ceases to serve in such capacity, as determined by the Board.

For greater certainty, if a participant dies, each Option held by such participant shall be exercisable by the legal representative of such participant until such Option terminates and therefore ceases to be exercisable.

If any portion of an Option is not vested at the time a participant ceases, for any reason whatsoever, to be an eligible person, such unvested portion of the Option may not be thereafter exercised by the participant or its legal representative, as the case may be, always provided that the Board may, in its discretion and in the case of Options relating to investor relations, subject to the approval of the TSX-V, thereafter permit the participant or its legal representative, as the case may be, to exercise all or any part of such unvested portion of the Option that would have vested prior to the time such Option otherwise terminates and therefore ceases to be exercisable pursuant to the terms of this Section. For greater certainty, and without limitation, this provision will apply regardless of whether the Participant ceased to be an eligible person voluntarily or involuntarily, was dismissed with or without cause, and regardless of whether the Participant received compensation in respect of dismissal or was entitled to a notice of termination for a period which would otherwise have permitted a greater portion of an Option to vest.

7. The Board retains the discretion to impose vesting periods on any options granted. In accordance with the policies of the TSX-V, stock options granted to consultants performing investor relations services must vest in stages over a minimum of 12 months with no more than one-quarter of the stock options vesting in any three month period.

Audit Committee Charter

The text of the Audit Committee’s charter is attached as Schedule “A” to this Information Circular.

Composition of Audit Committee and Independence

The Company’s current Audit Committee consists of W. Barry Girling, Claudia Tornquist and Raul Diaz-Unzueta.

National Instrument 52-110 *Audit Committees*, (“**NI 52-110**”) provides that a member of an audit committee is “independent” if the member has no direct or indirect material relationship with the Company, which could, in the view of the Company’s Board, reasonably interfere with the exercise of the member’s independent judgment. Of the Company’s current Audit Committee members, Barry Girling and Claudia Tornquist are “independent” and Raul Diaz-Unzueta is not independent, within the meaning of NI 52-110.

NI 52-110 provides that an individual is “financially literate” if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company’s financial statements. All of the members of the Audit Committee are “financially literate” as that term is defined. The following sets out the Audit Committee members’ education and experience that is relevant to the performance of his responsibilities as an audit committee member.

Relevant Education and Experience

Barry Girling - Mr. Girling is currently an independent business consultant. He has provided consulting services to a number of public companies. Mr. Girling obtained a Bachelor of Commerce, Finance from the University of British Columbia in 1990.

Claudia Tornquist - Ms. Tornquist is President & CEO and director of Kodiak Copper Corp. She was previously an independent consultant in the metals and mining sector. She also served as Executive Vice President of Business Development at Sandstorm Gold and as General Manager at Rio Tinto where she held a number of roles in business evaluation, M&A and business development over 9 years. Ms. Tornquist has a Masters Degree in Mechanical Engineering from the Technical University of Munich and a Masters of Business Administration from INSEAD.

Raul Diaz-Unzueta - Mr. Diaz Unzueta is an exploration geologist with 35 years of experience, much of it with Penoles where he discovered several mines including Mezcala/Bermejal deposit, which is now part of Leagold’s Los Filos operation in Mexico, and Capajorco in Peru. He also spearheaded Penoles’ internationalization by opening and managing the Peruvian subsidiary until 1999. Prior to joining the Company, he served as V.P

Exploration and Director of First Mining Finance, a successor company of Sundance Minerals Ltd. that he cofounded in 2008. Raul received a Geological Engineering degree from the University of Mexico and masters degrees from the University of Arizona and Cleveland State University.

- (a) the exemption in section 2.4 (De Minimis Non-audit Services) of NI 52-110; or
- (b) an exemption from NI 52-110, in whole or in part, granted under Part 8 (Exemptions).

Exemption in Section 6.1

The Company is a “venture issuer” as defined in NI 52-110 and is relying on the exemption in section 6.1 of NI 52-110 relating to Parts 3 (Composition of Audit Committee) and 5 (Reporting Obligations).

CORPORATE GOVERNANCE DISCLOSURE

National Instrument 58-101, Disclosure of Corporate Governance Practices, requires all reporting issuers to provide certain annual disclosure of their corporate governance practices with respect to the corporate governance guidelines (the “**Guidelines**”) adopted in National Policy 58-201. These Guidelines are not prescriptive, but have been used by the Company in adopting its corporate governance practices. The Board and Management consider good corporate governance to be an integral part of the effective and efficient operation of Canadian corporations. The Company’s approach to corporate governance is set out below.

Board of Directors

Management is nominating five individuals to the Board, all of whom are current directors of the Company.

The Guidelines suggest that the board of directors of every reporting issuer should be constituted with a majority of individuals who qualify as “independent” directors under NI 52-110, which provides that a director is independent if he or she has no direct or indirect “material relationship” with the Company. The “material relationship” is defined as a relationship which could, in the view of the Company’s Board, reasonably interfere with the exercise of a director’s independent judgement. All of the current members of the Board are considered “independent” within the meaning of NI 52-110, except for Greg Crowe, who is the President, Chief Executive Officer of the Company and Raul Diaz Unzueta who is the Vice President of Exploration of the Company.

The Board has a stewardship responsibility to supervise the management of and oversee the conduct of the business of the Company, provide leadership and direction to Management, evaluate Management, set policies appropriate for the business of the Company and approve corporate strategies and goals. The day-to-day management of the business and affairs of the Company is delegated by the Board to the CEO and the President. The Board will give direction and guidance through the President to Management and will keep Management informed of its evaluation of the senior officers in achieving and complying with goals and policies established by the Board.

The Board recommends nominees to the shareholders for election as directors, and immediately following each annual general meeting appoints an Audit Committee and the Audit Committee chairperson. The Board establishes and periodically reviews and updates the committee mandates, duties and responsibilities, elects a chairperson of the Board and establishes his or her duties and responsibilities, appoints the CEO, CFO and President of the Company and establishes the duties and responsibilities of those positions and on the recommendation of the CEO and the President, appoints the senior officers of the Company and approves the senior management structure of the Company.

The Board exercises its independent supervision over management by its policies that (a) periodic meetings of the Board be held to obtain an update on significant corporate activities and plans; and (b) all material transactions of the Company are subject to prior approval of the Board. The Board shall meet not less than three times during each year and will endeavour to hold at least one meeting in each fiscal quarter. The Board will also meet at any other time at the call of the President, or subject to the Articles of the Company, of any director.

The mandate of the Board, as prescribed by the *Business Corporations Act* (British Columbia) (the “**Act**”), is to manage or supervise management of the business and affairs of the Company and to act with a view to the best interests of the Company. In doing so, the Board oversees the management of the Company’s affairs directly and through its audit committee.

Directorships

The following directors of the Company hold directorships in other reporting issuers as set out below:

- Barry Girling is a director of I-Minerals Inc., Zinc One Resources Inc., Santacruz Silver Mining Ltd. and Plymouth Realty Capital Corp.;

- Luke Norman is a director of Rockshield Capital Corp.; and
- Claudia Tornquist is a director of Kodiak Copper Corp.

Orientation and Continuing Education

The Board's practice is to recruit for the Board only persons with extensive experience in identifying and targeting junior businesses for transactions and in public company matters. Prospective new board members are provided a reasonably detailed level of background information, verbal and documentary, on the Company's affairs and plans prior to obtaining their consent to act as a director.

The Board provides training courses to the directors as needed, to ensure that the Board is complying with current legislative and business requirements.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Under the corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Company and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and disclose to the board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction. The director must then abstain from voting on the contract or transaction unless the contract or transaction (i) relates primarily to their remuneration as a director, officer, employee or agent of the Company or an affiliate of the Company, (ii) is for indemnity or insurance for the benefit of the director in connection with the Company, or (iii) is with an affiliate of the Company. If the director abstains from voting after disclosure of their interest, the directors approve the contract or transaction and the contract or transaction was reasonable and fair to the Company at the time it was entered into, the contract or transaction is not invalid and the director is not accountable to the Company for any profit realized from the contract or transaction. Otherwise, the director must have acted honestly and in good faith, the contract or transaction must have been reasonable and fair to the Company and the contract or transaction be approved by the shareholders by a special resolution after receiving full disclosure of its terms in order for the director to avoid such liability or the contract or transaction being invalid.

Nomination of Directors

The Board identifies new candidates for board nomination by an informal process of discussion and consensus-building on the need for additional directors, the specific attributes being sought, likely prospects, and timing. Prospective directors are not approached until consensus is reached. This process takes place among the Chairman and a majority of the non-executive directors.

Assessments

The Board annually reviews its own performance and effectiveness as well as the effectiveness and performance of its committees. Effectiveness is subjectively measured by comparing actual corporate results with stated objectives. The contributions of individual directors are informally monitored by other Board members, bearing in mind the business strengths of the individual and the purpose of originally nominating the individual to the Board.

The Board monitors the adequacy of information given to directors, communication between Board and Management and the strategic direction and processes of the Board and its committees.

The Board believes its corporate governance practices are appropriate and effective for the Company, given its size and operations. The Company's corporate governance practices allow the Company to operate efficiently, with checks and balances that control and monitor Management and corporate functions without excessive administration burden.

General Matters

It is not known whether any other matters will come before the Meeting other than those set forth above and in the Notice of Meeting, but if any other matters do arise, the person named in the Proxy intends to vote on any poll, in accordance with his or her best judgement, exercising discretionary authority with respect to amendments or variations of matters set forth in the Notice of Meeting and other matters which may properly come before the Meeting or any adjournment of the Meeting.

("SVE" or the "Company") established for the purpose of overseeing the accounting and financial reporting process of SVE and external audits of the consolidated financial statements of SVE. In connection therewith, the Committee assists the Board in fulfilling its oversight responsibilities in relation to SVE's internal accounting standards and practices, financial information, accounting systems and procedures, financial reporting and statements and the nature and scope of the annual external audit. The Committee also recommends for Board approval SVE's audited annual consolidated financial statements and other mandatory financial disclosures.
2. SVE's external auditor is accountable to the Board and the Committee as representatives of shareholders of SVE. The Committee shall be directly responsible for overseeing the relationship of the external auditor. The Committee shall have such access to the external auditor as it considers necessary or desirable in order to perform its duties and responsibilities. The external auditor shall report directly to the Committee.
3. The objectives of the Committee are as follows:

Each Committee member shall satisfy the independence, financial literacy and experience requirements of applicable securities laws, rules or guidelines, any applicable stock exchange requirements or guidelines and any other applicable regulatory rules. In particular, each member of the Committee shall have no direct or indirect material relationship with SVE or any affiliate thereof which could reasonably interfere with the exercise of the member's independent judgment. Determinations as to whether a particular director satisfies the requirements for membership on the Committee shall be made by the full Board.

2. Members of the Committee shall be appointed by the Board. Each member shall serve until a member successor is appointed, unless a member shall resign or be removed by the Board or a member shall otherwise cease to be a director of SVE.
3. The Chair of the Committee may be designated by the Board or, if it does not do so, the members of the Committee may elect a Chair by vote of a majority of the full Committee membership. The Committee Chair shall satisfy the independence, financial literacy and experience requirements as described above.

7. The Committee shall provide the Board with a summary of all meetings. The minutes and all information reviewed and discussed by the Committee at any meeting shall be retained and made available for examination by the Board upon request to the Chair.
8. The Committee shall meet periodically with SVE's external auditor in connection with the preparation of the annual consolidated financial statements and otherwise as the Committee may determine, part or all of each such meeting to be in the absence of management.

D. Responsibilities

As discussed above, the Committee is established to assist the Board in fulfilling its oversight responsibilities with respect to the accounting and financial reporting processes of SVE and external audits of SVE's consolidated financial statements. In that regard, the Committee shall:

1. Satisfy itself on behalf of the Board with respect to SVE's internal control systems including identifying, monitoring and mitigating business risks as well as compliance with legal, ethical and regulatory requirements. The Committee shall also review with management, the external auditor and, if necessary, legal counsel, any litigation, claim or other contingency (including tax
